

Kingstone High School Visitor Information

Kingstone Academy Trust has many visitors during the course of the day and it has legal obligations to fulfil in managing this, both for the well-being of visitors themselves, and also of students and staff.

We have a statutory duty regarding safeguarding of children, and we take this responsibility seriously.

A visitor is defined as anyone who is not employed directly as a member of staff by Kingstone Academy Trust.

Safeguarding

- Mrs Rebekah Ruvino is the Designated Child Protection Officer. Any child protection issues must be reported to her immediately.
- Regular visitors to the school must have an Enhanced DBS. A visitor who does not have an Enhanced Disclosure and Barring Service Certificate (DBS) must not be alone with students at any point.
- If a visitor has a DBS, then at times they may work with students unaccompanied by another member of staff. At times this might be teaching a class or a one to one interview. This must be agreed with the Headteacher or Designated Safeguarding lead in advance.
- Visitors must sign in (and out) in the Visitor's Book and wear their visitor's pass or approved agency photo ID all times when on the school premises.
- Staff and students have the right to ask for identification from any person on site.

Guidance for Visitors

- Park in the visitors' car park. (If this is not possible, park in an available space and report that to reception)
- Report to main reception and sign in, showing proof of identity, and current enhanced DSB check (if they have one).
- If the visitor does not hold a current enhanced DBS accompanying staff must complete a risk assessment sheet, which is held in reception, and accompany the visitor at all times. At no point should the visitor be on their own with children.
- Please wait in reception, to be collected by the member of staff who has arranged the visit
- Ensure that at all points during the day, you are accompanied by the member of staff who has invited you
- Any visitor delivering a lesson or assembly must agree the content and tone prior to the visit taking place. The content and tone must be in line with the Kingstone Academy Trust values, be fully compliant with the Equality Act 2010 and any other Kingstone Academy trust policies which may apply, and take into account the age and ability of the students.
- Please return to reception to sign out at the end of the day, and return your visitor's pass.
- Use only the staff cloakrooms when needed: these are located in the corridor leading off from the internal reception area. There is also a staff toilet in the HUB (Inclusion Unit).
- Smoking is not permitted within any of the buildings or within the grounds of the school, including within vehicles.
- Kingstone Academy Trust has a duty of care to all persons on site. All injuries or incidents that occur on Academy premises must be reported to reception.

E-Safety and Mobile Phones and Devices

To ensure e-safety we monitor the use of the internet by staff, students and visitors. If you have any concerns about e-safety during your visit please report them at once to reception. Please be aware that we have a strict "No Mobile Phone" policy. Phones should not be seen during the school day. Visitors may use their mobile phones or devices to make calls when not in the presence of students. Photographs must not be taken.

Please report to the receptionist who is holding the visitors' signing in book. No attempt should be made to leave the site until advised to do so.
