Dear Parent/Carer,

May I take this opportunity to introduce myself as the Acting Headteacher of Kingstone High School. My position will commence on 1st September and will be in place until the 31st December.

I have enjoyed 19 years working in the school, 6 of those as Deputy Headteacher and I am delighted to have been given the opportunity to lead this fabulous school and to continue working with you as parents/carers to ensure the best educational outcomes for students at Kingstone High School.

Please feel free to contact me if you have any questions or concerns regarding any aspects of the High School.

Yours faithfully

Mr Lee Butler
