**Table tennis table**

For PE department; invoice for £240. BW to pay.

**Christmas market**

The event was well attended; the Guides brought a community feel to the school event. £434 (before expenses) was banked.

Looked at ways to entice more people to the market: DT projects (decorations/cakes/sweets) made by the pupils to sell may boost attendance by parents - ask DT Department, advertise through the school website and newsletters.

**Bonfire night**

The evening was a great success drawing many from the local community; less food was sold but a good profit was made.

**Lottery**

The Lottery has been drawn every week up to Christmas but now there are 4 weeks to draw. This is due to the delay in people paying up for the new term. There are still 20 unsold balls; prefects to sell some at the year 7 parents evening this Thursday. RR to ask EH to put the numbers on the website.

**New Year Concert**

(Postponed from Christmas) Thursday 15th February at 7pm.

RR/JW to set up. VS/DS to supervise prefects serving tea, coffee, squash and hot chocolate, biscuits and cakes. Raffle prizes left over from Christmas to be used. Prefects to sell raffle tickets.

**Easter raffle**

All members to secure raffle prizes and tell JW by Friday 9th March, as a list of prizes will be circulated around the forms. Tickets on sale from Monday 12th March and the raffle will be drawn during the school day on Wednesday 28th March.

**Andy Powell (Welsh and British Lions international) talk**

BW to confirm a date for the talk to be held at the end of April. It will consist of a 45 minute talk, followed by supper with bar and then questions from the audience. Tickets to be promoted through local rugby clubs. 300 max tickets available for £15 per head.

### **Summer event**

Initial idea of 'Kingstone's got Talent' to be held as an indoor event, but with refreshments being served on the field subject to weather conditions. Appeal to primaries with choirs, in school talent, teachers etc. Winners in each designated category.

### **Additional Fundraising**

Members to explore options regarding crowdfunding websites.

### **Next meeting**

All agreed for future meetings to at 4.30pm in the HUB.
